

Mariposa Minor Hockey Association Evaluation & Prep Skate Information

Attention All Players: Please read the following carefully to ensure you sign up for the correct skates.

This season, you *must register separately* for prep skates and evaluations (tryouts). Spring tryouts are available for U11 Rep, U13 Rep, U15 rep, U16 rep & U18 rep.

1. Prep Skates Registration

- **Eligibility:** You must have been rostered with MMHA during the 2024/2025 season to attend prep skates. If you did not play for Mariposa MHA this past season **do not register for prep skates, you are not eligible.**
- **Registration:** you must register for prep skates in the division you played in during the 24/25 season (Ie: you played u13, but move up to u15, you will register for & attend u13 prep skates)
- **Fee:** There is no fee if you register for evaluation skates with MMHA, if you are not registered for evaluation skates but attend prep skates a \$40 fee will be added to your Spordle profile due before you can register with any center.
- **Please note:** This option is **not** a tryout. Rep coaches will not be running prep skates. These skates are not mandatory but allow your player to get back on the ice before evaluations start. If you do not complete the prep skate registration you will not be allowed on the ice.

2. Evaluation Skate Registration

- **Cost:** \$90 – must be paid before first evaluation or you will not be allowed on the ice.
- Includes a minimum of 3 skates, unless you sign an offer of commitment with another minor hockey center, then you are no longer eligible to continue to attend eval skates.
- **Eligibility:** Open to all players within the OHF who want to try out for Mariposa Minor Hockey teams.
- **Fee Includes:** At least 3 Evaluation skates unless you register with another association (and prep skates if you were rostered with MMHA in 24/25 season).
- **Please note:** This fee includes prep skates but in order to attend prep skates you **MUST** complete the Spordle prep skate registration separate from the evaluation registration. You must register twice and pay once.

Refund Policy

- **100% Refund:** If you wish to cancel your tryout or prep skate registration, you may receive a full refund **if the request is submitted in writing a minimum of 48 hours before the first scheduled skate** (either prep or evaluation, depending on your passport).
