

Mariposa MHA Prep skates and Evaluations for OMHA Rep B for 2025/2026 Season

2025-26 MMHA U11, U13, U15, U16 and U18 Rep "B" Evaluations (Tryouts)

MMHA evaluations will take place between April 28th and May 20th, 2025. The bulk of prep and evaluation skates will take place at the Lindsay Recreation Centre (Lindsay, ON). Evaluation details and the evaluation schedule will be shared shortly on the MMHA Website. Please keep an eye on the website and calendar regularly for any updates, if you are intending to TRYOUT for a 2025-2026 MMHA OMHA team.

NOTE: You are NO LONGER required to (nor should you be able to) register for the season with MMHA before evaluations, and not until you have submitted and accepted an Offer of Commitment from MMHA for the team you are attending evaluations for.

EVALUATION registration for ALL OMHA teams will be open in [HCR Spordle](#) on or after APRIL 2nd (this includes all AAA, AA, A and B teams). It is mandated by OMHA that Evaluation (Tryout) Registrations be done through HCR Spordle this coming season.

You MUST register SEPARATELY for ALL evaluations you are planning to attend and register for evaluations via Spordle at each association that you intend to attend evaluations (tryouts). (Example if you wish to attend evaluation(tryout) at Mariposa and Lindsay), you must register via Spordle for Mariposa and Lindsay separately.) There are fees to cover the ice costs of prep and evaluation skates at each association this season.

It is recommended to review evaluation information and schedule at each of the association(s) that a participant intends to attend evaluation(s) at.

Your Spordle EVALUATION Registration is sufficient for insurance purposes. If you are trying out for any OMHA team(s) at any association, please DO NOT register with MMHA (or any other association) until you've been OFFERED a spot, or until tryouts are over. Registration with an association will be the same as signing a letter of commitment this season. Once your player has registered (accepted an offer) with an organization you are no longer allowed to attend evaluations with any other center. (Once your choice is made, you must stop attending other evaluations).

MARIPOSA

MINOR HOCKEY ASSOCIATION

— Home Of The Lightning —

You are NO LONGER Required to obtain Permission to Skate forms (AAA), NRPs (AA and A), 3.5s or ATMs for ANY tryouts. Residence compliance is no longer as OHF has opened all borders within the OHF and eliminated the above paperwork.

Evaluations for U9MD (combined U9/U8), U11 B2 (second entry rep) and U13 B2 (second entry rep) are planned to occur in the fall. As well as all Local League balancing skates where applicable.

You are allowed to directly attend evaluation of the level you are interested in. (i.e. you do not have to first attend and get released from Rep B to attend Rep B2 evaluation.) It is encouraged to attend evaluations for the team that best represents the skill of your player.

All non OMHA team registrations will open on HCR Spordle early May, stay tuned!

Good luck to all of you who are attending Evaluations this Spring!
