

MARIPOSA

MINOR HOCKEY ASSOCIATION

— Home Of The Lightning —

2024 - 2025 Mariposa Lightning Association Sponsorship

Mariposa Minor Hockey Association (MMHA) is a not-profit organization that provides hockey for youth from Oakwood, Little Britain, and neighbouring communities. Our aim is to provide an engaging and positive experience for all players in a healthy environment while continuing to foster a love for the game and develop lasting friendships and life skills. Mariposa Minor Hockey is currently icing multiple teams in eight age groups, ranging from U5 to U18 with over 200 players registered this season. Dedicated volunteers including all bench staff and administrative board members work to support our youth program.

Hockey is one avenue to build community. Anyone who knows the sport knows how loyal hockey families are. MMHA is seeking the support from local businesses to continue to offer affordable hockey to youth in our community. All received sponsorship funds will go directly to the entire membership to help provide player relief from rising registration costs, ice rental fees, and additional expenses needed for equipment or development. Sponsoring youth sports is a great opportunity to have your business showcased to a captive audience of families, both local and visiting teams, who could be interested in the services or products you provide. It is also a great way to give back to our community and help ensure youth continue to have the opportunity to play and learn valuable life skills such as teamwork, dedication, work ethic, communication, and responsibility.

Mariposa wants to work with our community partners. If you would like to discuss other potential opportunities, please contact secretary@mariposaminorhockey.com.

Thank you in advance for your generosity and support.
